PRESBYTERIAN CHURCH OF WESTERN SPRINGS JUNE, 2019

From Erik's Desk

I can hardly believe that it was a year ago that I met many of you when I came to visit PCWS as the formal nominee of your Pastor Nominating Committee. It was the weekend of June 2-3 that I met most of you and then you were asked to trust your search committee and the Holy Spirit when you voted to call me as your next pastor.

I then returned to California and enjoyed a summer of packing/moving, sad goodbyes, and excitement for my move to Western Springs to start at PCWS on August 1. Summers are an interesting time, aren't they? Like my summer last year, they're often a time of transition and regrouping … and hopefully an opportunity for you to connect with your family and friends and enjoy the outdoors.

This summer at PCWS we're going to have the opportunity to do each of these things as well. We'll **celebrate our graduates** on June 9 as members of our community of a variety of ages make educational transitions in their lives. We'll have opportunities for outdoor fun with our **S'mores and Games** night and we'll gather for **monthly barbeques** where the only agenda is connecting with one another and enjoying a meal together. There are lots of other things happening (including great activities for kids!) and you can read about them in these pages!

I'm hoping that as you plan your summer calendar you'll look at the events we have planned at PCWS and make room in your schedule to connect with your church family. It can be easy to "take the summer off" from our regular patterns (including church!), but our faith life, and our church life, are nourished and fed by engaging one another in community.

I look forward to seeing you this summer in worship and connecting with you at our events. By the way, the summer is also a good time to invite a friend to join you at PCWS. We've designed each of these activities so that they are accessible to new people. Reconnect with people you haven't seen for a while, introduce your friends to your church, and grow closer to God through all of these relationships.

Erik

S'Mores and Outdoor Games Friday, June 7 6:00 — 8:00 p.m.

Bring your family & your neighbors and join PCWS for s'mores roasted over the firepit! We'll have a fire pit and s'mores supplies and some outdoor games. Bring your favorite games and a lawn chair as we gather for an evening of relaxed fun, fellowship, and conversation. Please use Sign Up Genius to let us know you are coming!

Summer Barbecues at PCWS

Mark your calendars for the summer Barbecues on:
Tuesday, June 18
Tuesday, July 16
Tuesday, August 13

Gather on the lawn — 6:00 – 7:30 p.m.

Tuesday, June 18 will be the first of our summer B-B-Q's! Burgers, hot dogs and veggie burgers and all the fixings will be provided! Bring a side dish to share, a chair (or blanket) and bring your friends and neighbors.

June 2: *Encountering Jesus:* Samaritan Woman (John 4:1-29)
June 9: *Encountering Jesus:* Philip (John 14:8-17, 25-27)

Thistle Farms

On Sunday, June 2, as part of the *Encountering Jesus* series, Pastor Erik will be preaching about the Samaritan woman that Jesus encounters at the well (John 4:1-29). During the sermon, Erik will share about Thistle Farms.

Thistle Farms (www.thistlefarms.org) is a community of women in the Nashville area who are all healing from prostitution, trafficking, and addiction. They live and work together as they experience the transformation that can come from love and healing. One component of the program is the production and sales of natural products that are environmentally friendly and good for the body. Starting on June 2, we will use Thistle Farms hand soaps in our PCWS bathrooms and we will make the soap and hand lotions available for sale after worship that Sunday and in the church office.

By supporting Thistle Farms, and sharing about their work and their products, we are able to have a direct impact on the lives of these women. Please join us in helping!

Session Scroll

The Session met Wednesday, May 15. Here are some of the highlights of the meeting:

- Reviewed the landscaping project that was completed that afternoon;
- Discussed the new phone system that arrived and would be partially installed on workday;
- Received a report on the playground project.
- Heard from the Finance Committee reporting positive news: several members prepaid their annual pledge and income is ahead of expenses.
- Discussed all the fun events planned for the summer and encouraged participation.

Teacher Recognition Sunday, June 2

Playground Update!

We are making great progress on the plans for the new PCWS playground! The design phase is nearly complete, so be on the lookout for some exciting information that will be shared with the congregation soon. The goal is to have the new playground installed by the end of summer, and we will be reaching out for volunteers to assist with installation.

Stay tuned for additional details!

Properties Update

In addition to the recent highly-visible projects around the campus (namely the landscaping and our upcoming playground project), we have also been completing several other upgrades.

Last month our electronic door control system was upgraded. As a reminder, if you need access outside of business hours, please let Forrest know beforehand and she can program the doors to open for you.

You may have noticed that our telephones were not working much of last month! A combination of our aging telephone system and some line issues has meant that our phones are very unreliable. We've installed a new system that connects through the Internet. This system should provide us with reliable service into the future.

There are other projects coming soon, including the completion of our sanctuary renovations by replacing the flooring and lighting in the narthex. We'll also be replacing carpet in the offices later this summer.

Finally, thank you to the dozens of people who helped at the All-Church Workday on May 18! We had a great turnout and completed several projects to beautify and clean our properties. A special thank you to Walt Kovalick who organized the operation once again! (More photos are on Facebook!)

Landscaping Project

Have you had a chance to look at the new landscaping that has been installed in the past couple of weeks? Earlier this Spring, we hired Heidi Lopez, from Heidi's Garden Creations, to design specific areas of the campus, particularly places where other construction work meant the removal of existing landscaping. Heidi and her team installed the new plants and mulch last month. The design is intended to bring year-round color to each area with several native plants and perennials that will continue to get better year after year. It will be exciting to see the growth over the next few seasons!

In these early months of the new landscaping, we will need to water the plants manually until they take root. If you'd like to be part of the watering team, please let Forrest in the office know. We'll be doing some orientation and signing up to help.

Special thank you to Mary Jo Long, Jane Melilli, and Forrest who worked closely with Heidi throughout the process!

Welcome New Members

Lori Carsten
Lori lives in Indian Head Park with her daughters Claire and Marissa. Lori is the Inside Sales Manager for ConTech Lighting in Northbrook. She lists her hobbies as playing softball, practicing yoga and watching Claire play basketball and softball and Marissa doing gymnastics. Lori's name is familiar as she is a former deacon at PCWS. She enjoys the fellowship and support of the church and is glad to be back in the PCWS family again.

Mike Pelton
Mike is a native of Holly, Michigan; the oldest of five siblings. He was raised Presbyterian and has some small world connections to PCWS. (Ask him to share!) Mike has been singing since middle school and also plays piano and organ. He was our guest organist and is already singing in the Chancel Choir. Professionally, Mike services and maintains pipe organs and considers his hobbies to be genealogy and keeping up with friends and relatives as time and circumstances permit.

Stacy Restani
Stacy (spouse is Eddie Restani below) is a real estate agent who loves cooking, reading and spending time with her family, and two dogs. Stacy jumped in to PCWS activities with both feet. She has already participated in the Rise and Shine series earlier this year and is a regular in the Wednesday afternoon Bible Study. Stacy also hopes to volunteer with children and learn more about Stephen Ministry.

Edward (Eddie) Restani

Eddie (spouse is Stacy above) is a former commodities trader who is now self-employed. Eddie describes himself as a foodie, who rehabs homes, and loves spending time with his family. Eddie is looking forward to being involved in PCWS. It should be easy because Eddie and Stacy live across the street on Lawn Avenue in Western Springs.

Bambi Tesmond

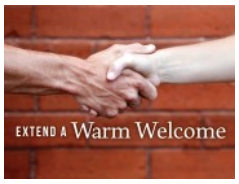
Bambi and her husband Tony have been attending PCWS since December. They both love to cook, play tennis, and share walks with friends and animals. Bambi is on the board of the Wellness House and she volunteers at the Courtyard in Hinsdale. Tony is a partner with Northern Ohio Medical Specialists. Their son Ian is an enthusiast of all sports and works and lives in the City.

Otto Sherrick

Otto comes to PCWS from First Presbyterian Church LaGrange. Otto is a veteran who has another small world connection with our congregation. He says our own Loretta Gracias-Bremer was his youth group leader and an influential force in his upbringing. Otto is already getting involved at PCWS by rehearsing with the Chancel Choir.

Congregational News

Welcoming Ministry



Several years ago, many people read "The Welcoming Congregation" by Henry G. Brinton. Now, the session created a new committee called "Welcoming Ministry." You may wonder, "Why? We are already a friendly church." PCWS is a friendly church, but we can be better. Welcoming is not just greeting people. Welcoming is thinking about the concept of "dual use." Creating new programs/events that encourage attendance by members, and helping everyone feel comfortable inviting friends.

The Welcoming Ministry will help coordinate and put some structure in place to help create and improve a welcoming and hospitable climate. We will take a look at where welcoming begins: at the curb and continues into the heart of the congregation. The ministry of **welcoming** is not the responsibility of a few people or a committee. It is the responsibility of the entire church family. This committee will be the group to formalize processes and provide support to our Directors of Lay Ministry.

As a start, we will be looking for volunteers to be "ASK ME" people on Sunday morning:

- **A**. Ask me a question
- **S.** Service
- **K**. Knowledge
- **M.** Ministry
- **E**. Encourage

These individuals will wear ribbons on their name tags to identify them as someone who is available to answer questions before or after worship, or any of the fun events planned at PCWS. We've scheduled training/information sessions for anyone looking to help with this new ministry. The first session will be at 11:00 a.m. Sunday June 2, after Fellowship time. For anyone not available to attend that Sunday, we'll offer a second session on Sunday, June 9 after Fellowship. If you're interested in being an "ASK ME" person, please contact Kay Kelly, Jane Melilli or Michelle Hennessy.

Watch for more information on Welcoming in future Glad Tidings.

Musical Happenings in June

Summer is just around the corner and with it comes the opportunity for you to share your musical gifts with the congregation! There are many open dates for vocal and instrumental soloists as well as the possibility of being in an ensemble, just let Stephanie Coates know what your availability is and I'll get you scheduled for a summer Sunday!

The Chancel Choir will be singing on June 9th, Pentecost Sunday. Rehearsal will be at 8:30 a.m. Come join us! The anthem will be one that is easy to pick up in a rehearsal so why not come sing with us?

The Bell Choir will be rehearsing In June and will play in church on Sunday, June 23rd. We would love to have you give us a try so just drop me an email or talk to me at church and we'll get you started up.

Rehearsals will be 7:00 to 8:15 p.m. on
Thursday, June 6
Tuesday, June 11
Thursday, June 20

Sunday, June 17

Mission & Service

Sunday School Mission Sunday

On Sunday, May 5th, our Sunday school children participated in Mission Sunday. They joyfully dedicated and will send $740 to Heifer International which is celebrating 75 years. This money will used to purchase a cow, a sheep and two colonies of rabbits.

The children learned how animals can help those in need and voted on which animals they wanted to purchase. Kudos to our children for their generous giving each Sunday that culminated in this donation.

GREATER CHICAGO FOOD DEPOSITORY

Greater Chicago Food Depository

PCWS has reserved volunteer spots at the Greater Chicago Food Depository on Saturday, June 15th. The volunteer commitment is from about 7:45 a.m. to 12 noon.

If you are interested in participating, signup online or let Jan Paddock know and she will sign you up. Volunteers must be a minimum of 11 years of age and those age 11 through 15 need to be accompanied by an adult. There will be a carpool option from PCWS on the 15th.

Pentecost Offering

Traditionally received on Pentecost Sunday, June 9, this special offering supports the larger church's efforts to encourage, develop and support its young people, while also addressing the needs of at-risk children. Most importantly, our congregation is encouraged and empowered to do the same in our own community with 40% of the total amount we are able to collect.

This year the Mission committee has selected Chicago HOPES for Kids as the recipient of our self-directed funds, helping to make a significant positive impact in the lives of at-risk kids in insecure living and learning environments in the city of Chicago.

One out of every twenty students attending Chicago Public Schools is homeless. 56% of those homeless students move two to three times in a three-year period, breaking any school continuity they might hope to achieve. Each time a child moves they can fall three to six months behind in school. Chicago Hopes for Kids provides a series of programs to help these at-risk children including after school programs, parent programs, literacy mentors and summer programs. Your Pentecost offering can help save these young lives from going off the rails and getting lost. Please dig deep to help with this critically important program.

Please note that you can give to the Pentecost Offering very easily online.

Thank you for your generous contributions to this important annual special offering.

One Great Hour of Sharing

A huge thanks and congratulations to our congregation for contributing a whopping $2600+ to the 70th annual One Great Hour of Sharing special offering! The total of all funds collected will be sent to PCUSA mission to be used in places around the world to provide relief to those affected by natural disasters, provide food to the hungry, and help to empower the poor and oppressed.
