Glad Tidings

PRESBYTERIAN CHURCH OF WESTERN SPRINGS AUGUST, 2019

A Note from Pastor Erik …

This summer has been quite active at PCWS! A highlight for me was our Yee-Haw VBS program that Kim Fronk, Kami Booth, and Carolyn Bozek organized for our children on two afternoons in June and July. The Jones Room and halls were filled with the joyful sounds of kids celebrating God's Good Gifts (that was the theme) as they did crafts, learned lessons, sang songs with our Music Director, Stephanie Coates, and worked on mission projects.

Joyful sounds were also abundant as we gathered for our first two summer BBQs and other fellowship events and it got me thinking about what the church is meant to be. While there's often talk about church programs needing to balance "fun" activities with programs geared toward learning and worship, I've reached a point in life where I reject this binary.

God has designed us to love one another. Loving one another means laughing and playing just as much as it means learning and praying. Loving one another means enjoying a hamburger with a new friend while it also means visiting an old friend in the hospital or helping celebrate a life at a funeral. You see, our lives as a part of a Christian community flourish most when we are able to bring all of who we are into the relationships here.

Involvement in the life of the church is a significant part of our individual faith development. As we prepare to kickoff our fall programming on August 25, my hope for you is that you might find ways that you want to expand your engagement at PCWS. Perhaps you've been away for a bit, or maybe you've been involved in the same programs/committees for years, or maybe you've been sitting gently on the sidelines waiting to get in the game. There's room for you! I'm always willing to talk with you about ways your gifts and interests can be utilized in our community.

Peace,

Erik

Kick—Off Sunday August 25

Giddy up! … join us for a Western-themed **Kick-Off Sunday** on August 25 as we start up our fall programming! Our children learned at our Yeehaw! VBS this summer that God Gives Good Gifts. Join us as we celebrate God's gifts and kick off an exciting program year!

There will be activities for all ages, including wonderful music provided by member Kevin McDermott and his band Ring Shout & Friends. We'll have a traditional country BBQ lunch with pulled pork sandwiches, baked beans, fruit salad, green salad, and, of course, apple pie and ice cream for dessert.

Our Youth Leader, Candice Mares, invites middle school through high school students (**JUPYs and UPYs**) to assist with games, face painting, chalk art, cookie walk, bouncy house, scavenger hunt, etc.

Kick-Off Sunday is a great chance to learn about ways to get involved at PCWS. Moderators of church committees will have information about their programs and there will be sign-ups as well.

If you would like to help with Kick-Off Sunday, please visit presbyws.org/signup. We look forward to seeing you on August 25 in worship and after worship for our ***Kick-Off***!

Any questions, please contact Mindy McMahon or Loretta Gratias-Bremer.

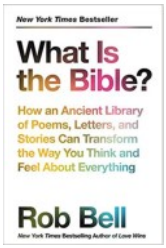
Thursday Morning Early Risers Group – Starting August 15!



Start your Thursday mornings off with some good coffee and great discussion! We'll be gathering from 7-8 a.m. and the group will be reading the book "What Is the Bible?" by Rob Bell. Bell writes, "Some people see the Bible as an out-dated book of primitive, barbaric fairy tales that we have moved beyond. And then there are the folks who talk about how important and central and inspired the Bible is but then butcher it with their stilted literalism and stifling interpretations. But you, I want you to read the Bible in a whole new way." This book is a fresh look at how we approach scripture and an engaging and fast-moving read. Copies of the book are available from Pastor Erik or from the church office during the week for $15 or you can purchase it on your own. A reading schedule will be distributed at the first meeting on August 15, but plan on reading the Introduction and Chapters 1-4 before the first session.

We'll gather for appetizers as a large group and then fan out for dinner in homes. Sign-ups will start later this month (visit presbyws.org/signup), and if you'd like to help by hosting dinner, please contact Loretta Gratias-Bremer. More details to come in the September *Glad Tidings*!

Thistle Farms Products

As part of our ongoing support of Thistle Farms (www.thistlefarms.org), we are selling natural liquid soaps and lotions in the church office. You can try the products in the church restrooms. The high quality soaps and lotions are $12 and are available in four scents.

Using products made by Thistle Farms is a way that we can share the message of the important work they are doing to help women who are recovering from addiction and from trauma from abuse, trafficking, and prostitution. At Thistle Farms they boldly proclaim that "Love Heals" and we can be a part of that healing!

Music at PCWS

Chancel Choir: As we move into the fall, come sing with the Chancel Choir! We're always looking for new members to join the choir and we can always use more voices. If you're not in the choir, what can I do to get you in the choir? Do you enjoy singing but are afraid because you don't read music, DON'T BE! You don't have to read music to be in the choir, so why aren't YOU in the choir?

Chancel Choir is open to anyone, age 14 and up and does not require the ability to read music - just a desire to sing. The choir rehearses on select Thursday evenings from 6:30 - 7:30 p.m. and please, if Thursday evenings are not a viable option, contact me and we will work out an alternative plan. Rehearsals will begin on August 22. Look for our rehearsal schedule in next month's *Glad Tidings* for more detail.

Handbell Choir: will play in church on October 6th. If you would like to come and ring with us, or even just give it a try, please let me know. We will be having rehearsals in September.

Director of Music

Fair Trade Coffee During Fellowship

Have you tried the coffee lately during Fellowship? We've recently started using delicious fair trade coffee from Equal Exchange (equalexchange.coop). A portion of the sales also go to the Presbyterian hunger fund through the Presbyterian Coffee Project. Started in 2001, The Presbyterian Coffee Project offers a special link between congregations and communities around the world. Through our purchase of Equal Exchange coffee, we can reach out to neighbors overseas, not only with the prayers and offerings we give, but with the goods and products we purchase. A warm cup of coffee in our hands is perhaps the most tangible daily connection we have with farmers around the world. It represents warmth, hospitality, fellowship, hard work and life's pleasures, both fine and simple. On Sunday mornings, you can enjoy Equal Exchange coffee roasts and in coming months we'll be offering coffee and possibly some other products for sale during fellowship!

It's a fun inter-generational event while making a difference in the lives of the residents working to overcome the issues of their lives. Watch for more news in subsequent *Glad Tidings*.

Youth Mission Trip

As I write this, I am finalizing the details of what I am expecting to be another epic adventure in the lives of both the youth and me. We are packing and prepping and mentally preparing. As you read this, we will be safely back home from what I know will be a deeply meaningful experience. There are twelve of us going, but as Erik stated in Church while commissioning us, we are all going. PCWS will be right there with us while we hammer nails, build ramps, clean, fix, play and bond. This community is so special. It is all of you; each of us bring a little something to the table and make our church the amazing place it is. The youth are empowered by your love, your donations, your support and your example. We, as a congregation, strive to give back and to be the hands and feet of Christ. We teach our children by example. We live the Word and that is such a powerful thing! Thank you all for being you, for making us who we are. I can't wait to share stories with you from the Appalachian Trail.

Candice Mares, Youth Director

Dear PCWS,

We are so thankful for your generous donation to the people of Uganda. Our trip was only possible because of your support. We were able to deliver 1,200 solar powered lights that will keep Alenga lit for years to come. Thank you for your support.

Mission & Service

Mission Budget Series

This month we look at our world and national mission support. This category supports two Chicago organizations, Opportunity International and Feed My Starving Children, providing global impact through their work. Opportunity International is serving 10 million hardworking families in 23 countries around the world. Through business loans, financial training and community support they empower people to work their way out of poverty and build a new sustainable future for themselves and their families. Feed My Starving Children provides nutritionally Complete meals specifically formulated for malnourished children. In addition to financial support, PCWS members of all ages have periodically volunteered at one of their sites to help create meals.

Through support of the Amka Africa School Foundation, students in Babati, Tanzania are able to further their education. PCWS provides funds for a scholarship for one student, Matilda. If you are a Facebook user, check out the Foundation's Facebook page. You'll see a number of PCWS women standing with children at the school. In March 2011, a group of travelers organized by Judy McAtee traveled to visit the school. Our sister church in Cuba, Nueva Paz, is also supported through this portion of our budget. We provide an annual financial gift to help the church in their work, worship and outreach. Through our global/national mission budget we are able to help make a difference in the lives of people in some meaningful ways.

Thank you for your support of the mission budget through your pledges and offerings!

Let's Make a House a Home

One Month to Go!

Our PCWS summer mission project has engaged friends and families of all ages and we have just a few short weeks left before we assemble and deliver our gifts of "Welcome Home" baskets to our friends at Facing Forward to End Homelessness.

The tags and sample baskets have been front and center throughout the summer and the steady stream of household items arriving throughout the week and especially on Sunday mornings has been heartwarming and inspiring. Keep them coming! Need the list? It's available on our website and the following page! To see a recent interview with a Facing Forward resident, click this link.

Our children have also been actively engaged this summer. During the July session of VBS, they artfully created the first "warm fuzzy" gifts for each of the baskets, filling a glass jar with the ingredients and instructions for baking a loaf of banana bread, including a bread pan AND, most importantly, adding a tag with a note of friendship and encouragement. Imagine how the aroma of banana bread baking in the oven will make a new apartment feel even more like home!

We're going to have some fun with the last few weeks of the project, so get ready to challenge yourselves and those around you to get us to the finish line! Get ready to put together a family basket, a book club basket, a choir basket, a Presbyterian Women basket, a team basket or even a neighborhood basket. One does not need to be a member of our congregation to experience the joy of helping another family. Spread the word!

CROP WALK: Sunday, October 27

CROP HUNGER WALK

The **50th anniversary** of the CROP Hunger Walk will be on **Sunday, October 27th** .The walk will start at 1:15 p.m. at The First Congregational Church of Western Springs, 1106 Chestnut Street. PCWS will be the half-way point in thewalk. There will also be a special family-friendly shorter walk in the neighborhood around the Congregational Church.

Mark your calendar so you, too, can be part of the 50th annual CROP Hunger Walk in the western suburbs! We'll share more details in the coming issues of the *Glad Tidings*.

PENTECOST OFFERING

Thank you for your support of the Pentecost offering which raised **$1,574**. This denominational offering is part of a church-wide effort to support young people. Sixty percent of the offering is sent to the Presbyterian Mission Agency. We will be sending $944.40 that will be used in various programs to inspire young people to share their faith, ideas, and unique gifts with the church and the world.

The remaining forty percent ($629.60) will be given to Chicago's HOPE for Kids. They provide educational support for children living in Chicago's homeless shelters. Through their mission they provide students with the resources and encouragement needed to succeed academically, despite the challenges of homelessness.

We're Social! Are You?

Office Corner

Summer at PCWS is always a little more quiet. It's a great time for us to catch up on projects, and look ahead to the fall. It's funny to think that by the time you're reading about something in the Glad Tidings, or hearing it announced by Pastor Erik in worship, there's already been weeks of planning that have gone into it. In July, we were already thinking about Winter Family Camp in January — it was hard to think about snow when it was 90 degrees outside!

All of our events, and even our day-to-day activities are supported by an amazing group of volunteers. For the past couple of years, Laura Fruit has served as a dedicated volunteer in the office, and supported our Treasurer, Pat Ravanesi. In the coming weeks, Laura and her husband Bob are making the final arrangements to relocate to Oklahoma for retirement. This has been a plan in the works for some time, but it still feels like it snuck up on us. Laura has been an incredible resource for us, sharing her years of experience working in church offices. She was a huge help in training me, and getting me up-to-speed on the goings on of PCWS, not to mention a joy to work with. We've had plenty of laughs and shared conversation in our time together, which I will miss. Thank you, Laura, for your guidance, help, and energy. I really could not have done it without you. -
