Children entering grades 2-8 are invited for a fun week of music, art and drama. Camp will take place from 2:00 -5:00 p.m. Signup sheets are posted on the Music bulletin board and available on the PCWS website.
Cost:$25 per student, $35 per family.

Scholarships are available. Contact Patti Mangis via email: pmangis@presbyws.org.

Blood Drive

Sunday June 26th
9:00 a.m. -2:00 p.m.
The Jones Room

EVERY 2 seconds patients are in need of blood products. Currently, only 3% of the population donates. It is a free way to give back to your community. Most people are eligible to donate: cancer survivors and diabetics are clear to donate, most medications are ok and now tattoos and piercings are okay as long as they were done in a state licensed facility and are cleared after 24 hours.

Congregational Life

These are a few of my favorite things…

I'm writing this column in early May, looking at my personal calendar and realizing that it's wonderfully populated with two family weddings (both in Louisville), a PCWS wedding in July, at least two baptisms, and a lot of worship services, including three installations of local pastors.

I'm really excited about the honor of attending General Assembly in June as a commissioner, as well as a week of vacation in Portland after the work is done. Glancing ahead, I see services in the memorial garden scheduled on the calendar, and confirmation, graduation celebrations, and Vacation Bible School. I pray each day for each UPY mission trip participant by name, and this year will be no different.

All of these events are gifts from God. Most of these events will involve people I love, or am looking forward to welcoming into the life of PCWS or the Presbytery of Chicago. And so, the title of this article is incorrect. I will enjoy the events, but the events aren't a few of my favorite things; the people are. And the best things in life aren't things.

The best things in life are relationships, and I treasure all of the relationships in my life, especially those with you, my favorite God-given gifts, always.

Gratefully,

Jennifer

Stewards of the Earth

In honor of Earth Day 2016, the Leadership and Ministries Committee has introduced two new changes.

First, paper recycling is now available in all rooms at PCWS. Some examples of paper that can be recycled include the following: Bulletins, office paper, white and colored paper, newspapers, magazines, junk mail, cardboard, empty paper cups. Please do NOT put the following in the recycling bins: used napkins, tissue paper, paper towels, wax paper and wrapping paper.

Second, Leadership & Ministries has distributed PCWS reusable bags to everyone in the hopes that these will be used in place of paper or plastic bags. The bags are navy blue and have the PCWS logo and name on the front. Please help us be good stewards of God's resources by utilizing these reusable bags in place of paper or plastic, and throwing your recyclable paper in the new recycling bins rather than in the trash.

The women of PCWS are invited to a luncheon on June 2, 2016, at 12:30 p.m. for the installation of officers. The luncheon will be catered and the cost is $10.00. Reservations should be sent to Kris in the church office (708-246-5220 or email kristene@presbyws.org) by May 30.

We will also enjoy being with Jennifer for this Presbyterian Women's meeting. This is a social time and we will have an opportunity to share our gratitude and thanks to Jennifer in written or spoken words.

We look forward to being together at the last meeting of this program year.

"June is busting out all over!"

And June music at PCWS is busting out too. We start June with the Chancel Choir singing "Gaudeamus Hodie!" (Rejoice today!)

We end June with MAD Camp's production of "Life of the Party: The Story of Mary and Martha."

In between we will have a hymn sing/ recital event.

It is going to be a great month of music at PCWS!

Committing Today for Tomorrow

Capital Campaign Update:

We are truly blessed.
As we come to the conclusion of our capital campaign, Commit Today for Tomorrow, we rejoice in the generous response of our congregation!

Having begun with the goal of raising $500,000 to fund a number of immediately necessary repairs in and around our church property and the manse, and to begin to replenish our major maintenance reserve fund, we are nearly there! As of May, 2016, our total pledged amount is 427,428.00, made possible by 72 "giving units." We anticipate additional pledges and gifts.

With these solid numbers, Session will begin to plan for the future of our building's systems, structure, sanctuary, surroundings and manse and will begin to prioritize our identified maintenance needs, once financing has been secured. Thank you for continuing the long-standing PCWS commitment to supporting the needs of our physical Church. If you're still considering ways in which you can respond to these needs through this capital campaign, please know that pledges continue to be welcomed and any of the committee members noted below would be more than happy to answer any questions you might have.

We are, indeed, truly blessed to be part of a church family with such a rich history, an ambitious present and a bright future of continued service to God and others. Thank you for your personal promise to Commit Today for Tomorrow!

Summer Worship at PCWS

Join us for summer fun on Sunday mornings! We're planning services that are filled with reverence, energy, thoughtfulness and joy that will provide something for all ages. We have planned three short sermon series this summer, complete with music and movement and visuals and who knows what else. We hope that you will carve out time in the midst of your summer plans to be with us whenever possible.

Here's the plan:
Our first summer series on Paul's Second letter to the Corinthians began on May 22 and we're calling it *Building Up Community.* In May, we looked at sections of chapters one and two and thought together about connections and forgiveness. In June, we'll spend all of the Sundays completing our study of Second Corinthians, adding the building blocks of hope, faith, reconciliation, and generosity.

Don't forget MAD camp, which takes place from June 20-24. They'll be presenting in worship on June 26.

Our second series sounds pretty somber, but is really filled with tons of hope. The book of Job is the story of a man experiencing extreme suffering. We're calling this series *When Life Falls Apart* and pray that you'll find it to be an honest and authentic expression of faith and the reminder that God is always present, no matter where and no matter what. This series will begin on July 3 and conclude on August 7.

The third and final summer series is called *Teach Us To Pray* and takes a close look at something we know by heart, the Lord's Prayer. From August 14-September 4, the focus will be on the themes and the "aha" moments in the beautiful prayer from Luke 11:2-4. You're sure to hear the Lord's Prayer with new ears when this sermon series concludes.

Songs for children of all ages, skits and drama, and a fresh approach to aspects of worship is in store that will engage all of your senses this summer. We hope you'll like it, and we pray that it creates joy in everyone's hearts . . . and especially in God's heart.

BE HOLY- -Join the Summer Book Study!

What does it mean to be Holy? Can we really be Holy? Is it even attainable? Join the summer book study at PCWS on Wednesday evenings in July at 7:00 p.m. as we delve into Brian Coulter's book-- Be Holy. As you probably remember, Brian was the author of our wonderful Lenten devotionals. Everyone is welcome to attend: young/old, new members/longtime members/friends, male or female. Topics will be stand alone, so feel free to come and go according to your schedule.

Topics are:
July 6 – Our Calling – Be Holy (yearning, becoming, reflection) Questions: Are we created to be ordinary? Do we need superpowers to become Holy or can we just embrace the superpowers we already have? Is God already in us and is that all we need?

July 13 – Set Apart From – Find Identity (lost, beloved, identify) Questions: Can you encounter God without being changed? How do you find your identity in Christ? How does God create you to be uniquely you?

July 20 – Set Apart With – Find Belonging (loneliness, communal, connected) Questions: How do we find our place in God and the church? How do we find our own significance? How do we give others a sense of belonging--connectedness? How do we bring others on our universal adventure?

July 27 – Set Apart For – Find Purpose (aimless, balance, embrace) Questions: What is your life worth living for? How can you live a life set apart? How do you recognize God even in the messes of your journey? Is "Being" Holy an action word? How can you make God smile?

Please sign up on the bulletin board in the lower hallway by June 16th to order a book (books must be paid for in advance to be ordered). Email Nancy Glickman for more information or to order a book at gednan10@gmail.com. See you there!

Mission Trip Preview

The senior high youth of this church will begin their summer with the mission trip this year. From June 4 – 11, a group of PCWS members and friends will roadtrip to Atlanta, GA. Our plan is to stay at the Calvin Center, and assist them with work projects focused on helping address urban poverty. Participants include Alison Slezak, Erin Sullivan, Isabella Melilli, Maryna Hoskins, Davis McMahon, Paige Dold, Brian Kral, Nora Hennessy, Emily Best, Charlie Wennerstrum, Lacey Allen, Jamie Smith and Dan Wennerstrum. The impressively responsible adult leaders in charge include Scott and Lisa Wennerstrum, Lance Smith, Linda Merrifield and Pastor Matt Schmidt. Thank you to all who support the youth in missional experiences like this.

Keep Faith Boxes

The Keep Faith Boxes are available for pickup in the Jones room for the next few weeks. This has been a very important program over the years and we hope families will continue this in their own way. Thanks to all the people that created and worked on these over the years. Stay tuned for our next idea to encourage faith formation.

Car Wash Success!

On Sunday, May 1, the brave, lionhearted UPYs of PCWS stood unflinching before the cold 54 degree weather of that day, dauntless in their determination to wash cars for the kind people of this church. The gutty performance was even more impressive as no one was injured (although Matt claims to have gotten the sniffles afterwards.)

Their work was to help support the summer mission trip to Atlanta, GA, and their success is all because so many of you contributed. The youth are so very thankful to the generosity of this church because both the bake sale and the car wash that day helped them raise $1,000 towards their trip. Thank you all so much! God bless PCWS.

Presbytery News

General Assembly to meet in Portland, Oregon

The 222nd General Assembly of the Presbyterian Church (USA) will convene in Portland, Oregon on Saturday, June 18 and will conclude with the close of business on June 25. Pastor Jennifer will be attending as a commissioner from Chicago Presbytery, because Chicago sends the current and immediate past moderators as two of its commissioners. She will be attending along with Barbara Vaughan (CRE, Berkeley-Hillside) and others. Pastor Jennifer has the honor of having been selected to moderate one of the fourteen General Assembly committees. She is the moderator Committee 14: Theological Issues and Institutions. Some of the business items Committee 14 will consider are the proposed new Directory for Worship, approving two new seminary presidents, and considering overtures about communion and marriage . . . and more.

Every General Assembly takes up societal issues and ecclesiastical ones. This year's "in-house" business involves electing a new Stated Clerk for the whole denomination for the first time since 2008. For the first time in its history, the PC(USA) can consider electing co-moderators of the General Assembly for a two year term. You can follow the election and all the proceedings of General Assembly, and likely see some faces you recognize, on live stream at www.pcusa.org and you can follow the business of the Assembly on www.pc-biz.org.

BEDS Volunteers Needed

BEDS Plus, a non-profit agency which operates shelters and programs for homeless individuals in west suburban Cook County, is in need of volunteer site helpers for summer shifts at their various locations. Site helpers serve one of three daily shifts and provide breakfast, an evening meal, or help with weekly laundry duty.

Consider giving a little of your time this summer to help the homeless in our little corner of the world. Visit the online sign-up www.signupgenius.com/go/30e094daaa62aa02-summer, to determine shelter locations and available volunteer shifts.

Opportunity International

Mission: To create employment and improve income for the poor by assisting in the establishment of small and micro businesses in developing countries.

"Founded in 1971, Opportunity International provides small business loans, savings, insurance and training to people in the developing world. Clients in over 25 countries use these financial services to start or expand a business, develop a steady income, provide for their families and create jobs for their neighbors. When clients build businesses with Opportunity loans, they often set into motion monumental changes. Family income rises. Children are well fed and go to school. Homes are improved. Women are given status. For clients around the globe, these transformations take place every day—beginning with loans as small as $60." (Charity Navigator)

Opportunity International forms Trust Groups to help ensure the success of its loan recipients by promoting solidarity and maintaining accountability. A Trust Group consists of 10-30 clients, mostly women, who meet weekly to share personal and business advice, receive financial training and vote on loan-related topics.
